Cleaners TO THE Rescue

*Let us do
the dirty work.*

What will Cleaners to the Rescue do?

We provide a service to those who need help with indoor homecleaning tasks.

Cleaners to the Rescue assist older persons to stay in their own homes and help a person with a disability live independently, or complete heavy cleaning for anyone.

Our services can also be hired to prepare for a move, clean rental units, or to clear out a home following a move.

We are experienced in working with individuals who are reluctant to allow service providers into their homes. Respecting the dignity and privacy of the client is a high priority in this process.

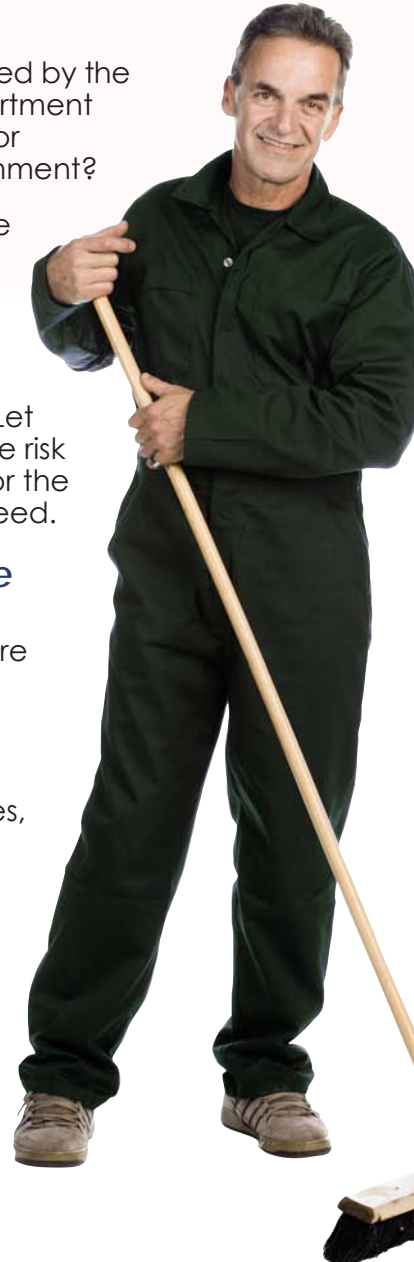

Do you know someone who:

- is unable to do heavy cleaning?
- needs accumulated clutter removed?
- is experiencing legal, emotional, mental or physical discomfort due to the condition of their home?
- has been cited by the health department due to a poor living environment?

Cleaners to the Rescue is the answer. We offer a service that is safe, reliable and experienced. Let us eliminate the risk of searching for the services you need.

Who are the cleaners?

The cleaners are experienced, hard-working, dedicated employees of Mature Services, Inc., who have been pre-screened.

All of our cleaners are bonded, insured, have undergone background checks and training, and have years of experience in both cleaning and organizing.
